

*Surely, you also have  
someone beloved...*

*...but, if you want to see him always healthy and smiling,*  
**KEEP CORONAVIRUS AWAY,**  
**RESPECT SAFETY DISTANCE.**

Our staff will do everything to serve you as soon as possible, but a short wait may be necessary.

But, for your and our health, be patient, avoid crowding the room unnecessarily, **help us to respect the rules and keep a meter away** between you and the others.
